

Who should utilize Shangri-La's Employment Services?

- First time job seekers and those entering a new field.
- People who have limited or no work experience in their desired field of employment.
- People who need to update their skills.

Since 1963, Shangri-La has served Oregonians with disadvantages and developmental disabilities. Our commitment to build a better community for all citizens allows us to partner with others and meet the needs of many.

Learn new skills to gain meaningful employment
